description:

Exceptional restaurant on the sea front of the playa Carrer la Mar de Campello. This extraordinary restaurant, completely renovated in its interior and is thought of everything, down to the smallest detail. Its modern interior was created by a renowned Spanish architect, and in the decoration were used materials of high quality to spread a single image and exclusive to the restaurant and generate the maximum comfort for their visitors. The kitchen, which is divided in two parts and is equipped with a team of the highest quality and has absolutely everything you need to start working from the very first day, the kitchen is organised by a prestigious Chef who came exclusively from Barcelona to have a kitchen unique and efficient for the chefs to work as comfortable and efficient as possible and with a minimum effort. The restaurant is decorated with furniture of Italian design, has all the dishes of first brand, has interesting details of its interior, modern bar and lighting professional. The sunroom allows you to use this entire area as much in summer as in winter. It is an investment to have a unique business and unique, the success is guaranteed.
